

Cley 200 Club

Cley Village Hall committee is running a 200 Club as part of ongoing fund raising efforts for the upkeep and improvements to Cley VH. The 200 Club plays an important part in the hall's funding requirements. Above and beyond that we hope - in a fun way - to strengthen the bond between village and village hall and create new links within the community.

What is a 200 Club?

For those who have not come across one before, a '200 Club' is a regular lottery which is usually run for some charitable purpose - in this case our Village Hall. The Club is defined as a 'private lottery' under Section 4 of the Lotteries & Amusements Act 1976.

Why should you join?

To help raise money for our Village Hall and because you will have a good chance of winning one of the monthly cash prizes; a much better chance than on the National Lottery!

What does it cost to join?

Each number in the monthly draw costs £ 1 per month and there's no limit to how many numbers you can buy.

How are Subs collected?

Subscriptions can be collected by monthly or annual bank standing order. If you do this on-line please give your name(s) as reference. I also accept cash payments or cheques (minimum of £ 12), but standing orders make my life easier!

What are the Prizes?

Half the money in the monthly draw is paid out in cash prizes, the other half goes to the Village Hall Fund. If the membership numbers change significantly either upwards or downwards the prize structure will be amended accordingly.

When are Draws made?

The draws are taking place on every last Sunday of the month between 5 and 7 pm in the VH clubroom. This has become a regular social occasion for the village when you can enjoy a glass of wine, meet friends and make new ones. The winners receive their cheques in the post (or there and then if they are present).

How do you join?

If you would like to join and help to raise money for the Village Hall please complete both forms. Please return the **Standing Order Mandate** to your bank, and the **Application Form** to:
